### Rates

- **Service technician work – 150 EUR** per person for each started hour.  
For travel to the client **exceeding 100 km**, the **minimum charge** for each technician is **600 EUR**.  
(The minimum charge does **not** include travel/return costs; it equals **4 hours** of work.)
- **Travel to and from the client – 80 EUR** per hour of travel.  
Travel time is rounded up to **1-hour increments**. Each started hour is charged as a full hour.  
(Travel time is calculated from and to the technician's place of residence.)
- **Overnight stay – 150 EUR** flat rate per person per night.  
(Charged for multi-day jobs and whenever the total travel time and/or working time and/or return travel extends beyond service working hours. Applies to distances over **100 km** from the technician's place of residence.)
- **Other costs incurred by the company** are settled after completion of the service/job and constitute an additional cost of the service/job  
(e.g., purchase of parts, toll roads, parking fees, etc.).
